

Automation & Control

HMI Software . Programmable Automation Controllers . Adjustable Speed Drives
Motion Control . Wireless I/O . Industrial Computers . Signal Conditioners . Sensors
Industrial Networking . Touchscreen Interfaces . Graphical Controllers ...

Automation Software
Programmable Automation Controllers
Networked & Wireless IO
Touchscreen Interfaces

Industrial Flat Panel Computers
Hazardous Area & Mission Critical PCs and Monitors
Thin Client & Embedded Systems
Military, Marine & Custom Solutions

Industrial Connectors & Cordsets
Ethernet/DeviceNet/Profibus Network Components
BradPower Modular Power Systems

Motor Control Centers & Components
Adjustable Speed Drives
Pushbutton & Pilotlight Operators
Control & Monitoring Relays

Ethernet/IP Switches
Analog & Digital Data Links
PLC Fiber Optic Solutions for ControlNET,
DeviceNET, Modbus, Genius, Profibus, etc.

Rugged Keyboards, Input Devices & Flat
Panel Displays

Inductive, Capacitive, Photoelectric Sensors
AS-Interface Networked Systems
RFID, Barcode & Camera Identification Systems
Ultrasonic Proximity Sensors

Graphical All-in-One Controllers
Specialty IO Modules for GE Fanuc Automation
Conveyor Control Systems
HMI Software Solutions

Timers, Counters, Ratemeters, Totalizers
Control & Monitoring Relays
Solid State Relays & Digital IO Modules
Level, Temperature, Power Monitors

DIN Rail & PCB Terminals
Signal Conditioners & Process Instrumentation
Industrial & Wireless Ethernet Solutions
Power Supplies, Circuit Protection

Modular Enclosure Systems
Electronic Packaging
System Climate Control
Power Distribution Solutions

Single & Multi Loop PID Controllers
Temperature, Process, Limit Controls
SSR & SCR Power Controllers
Indicators, Recorders, Sensors & Peripherals

Automation Solutions
